

Dear Potential New Member of NCLT:

There's an amazing statistic to keep in mind as you consider becoming a member of the Northern Connecticut Land Trust. From a total income of only \$132,000 over the past 20 years, NCLT now lists over \$3 million dollars in total assets, mainly protected lands. This is a multiple of 23 times income. Being an all-volunteer organization with no salaries certainly helps. However, each year hundreds of individual contributors provide the seed money that enables NCLT to leverage grant funds to protect lands. Please join us and become an enabling contributor today.

You can learn about the NCLT at [www.northernctlandtrust.org](http://www.northernctlandtrust.org). More information about the care with which your contribution will be overseen is in President Modisette's cover letter to the NCLT 2007-2008 Annual Report, found under the "Links and Info" tab.

Please mail your membership today!

Make checks payable to NCLT

NCLT is an IRS 501(c)(3) organization.

Your gift is tax deductible
